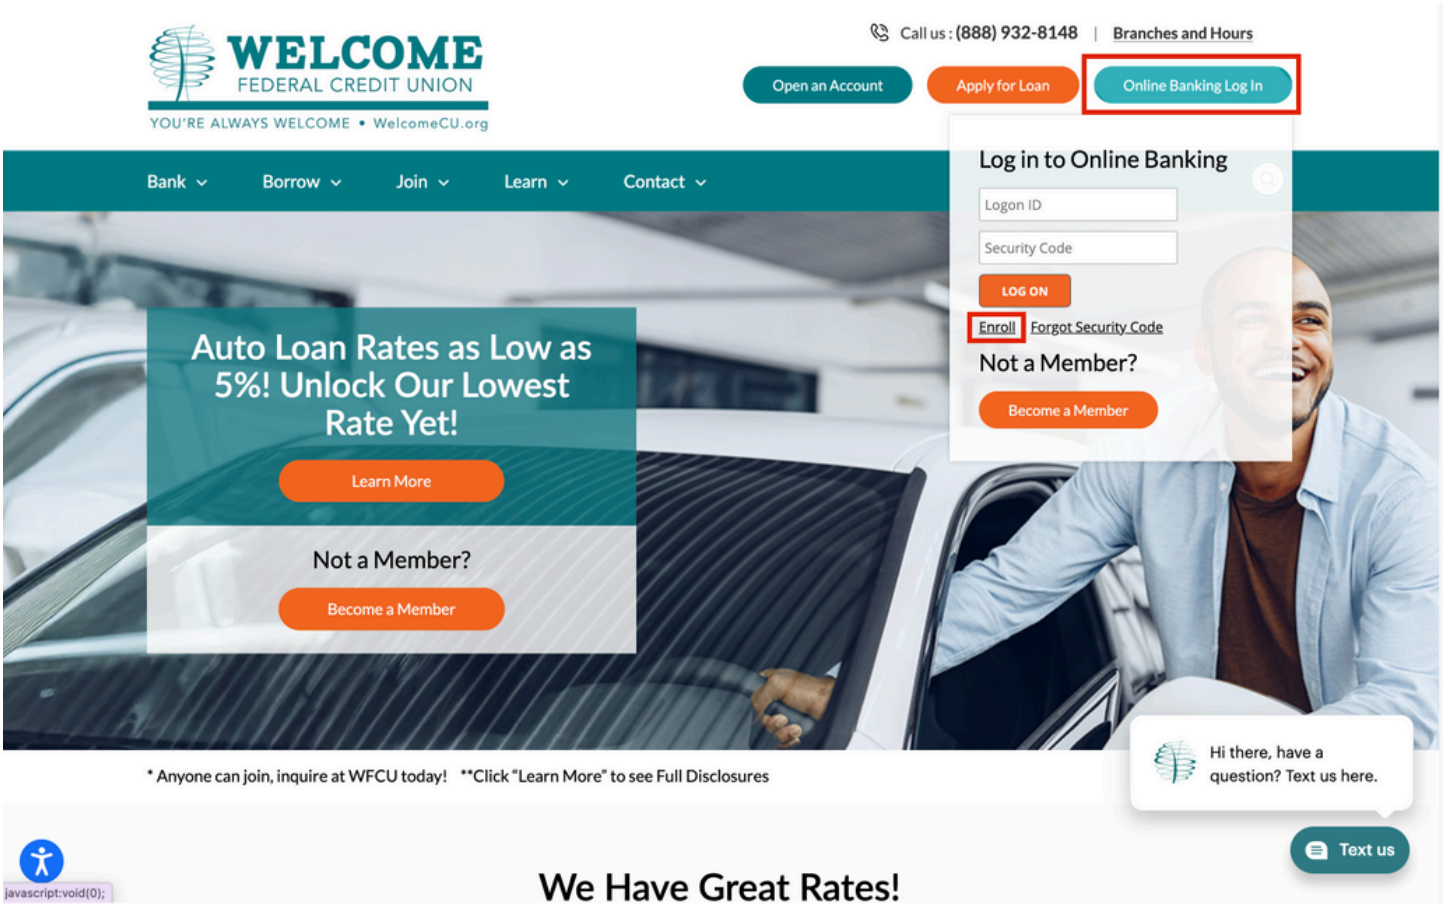
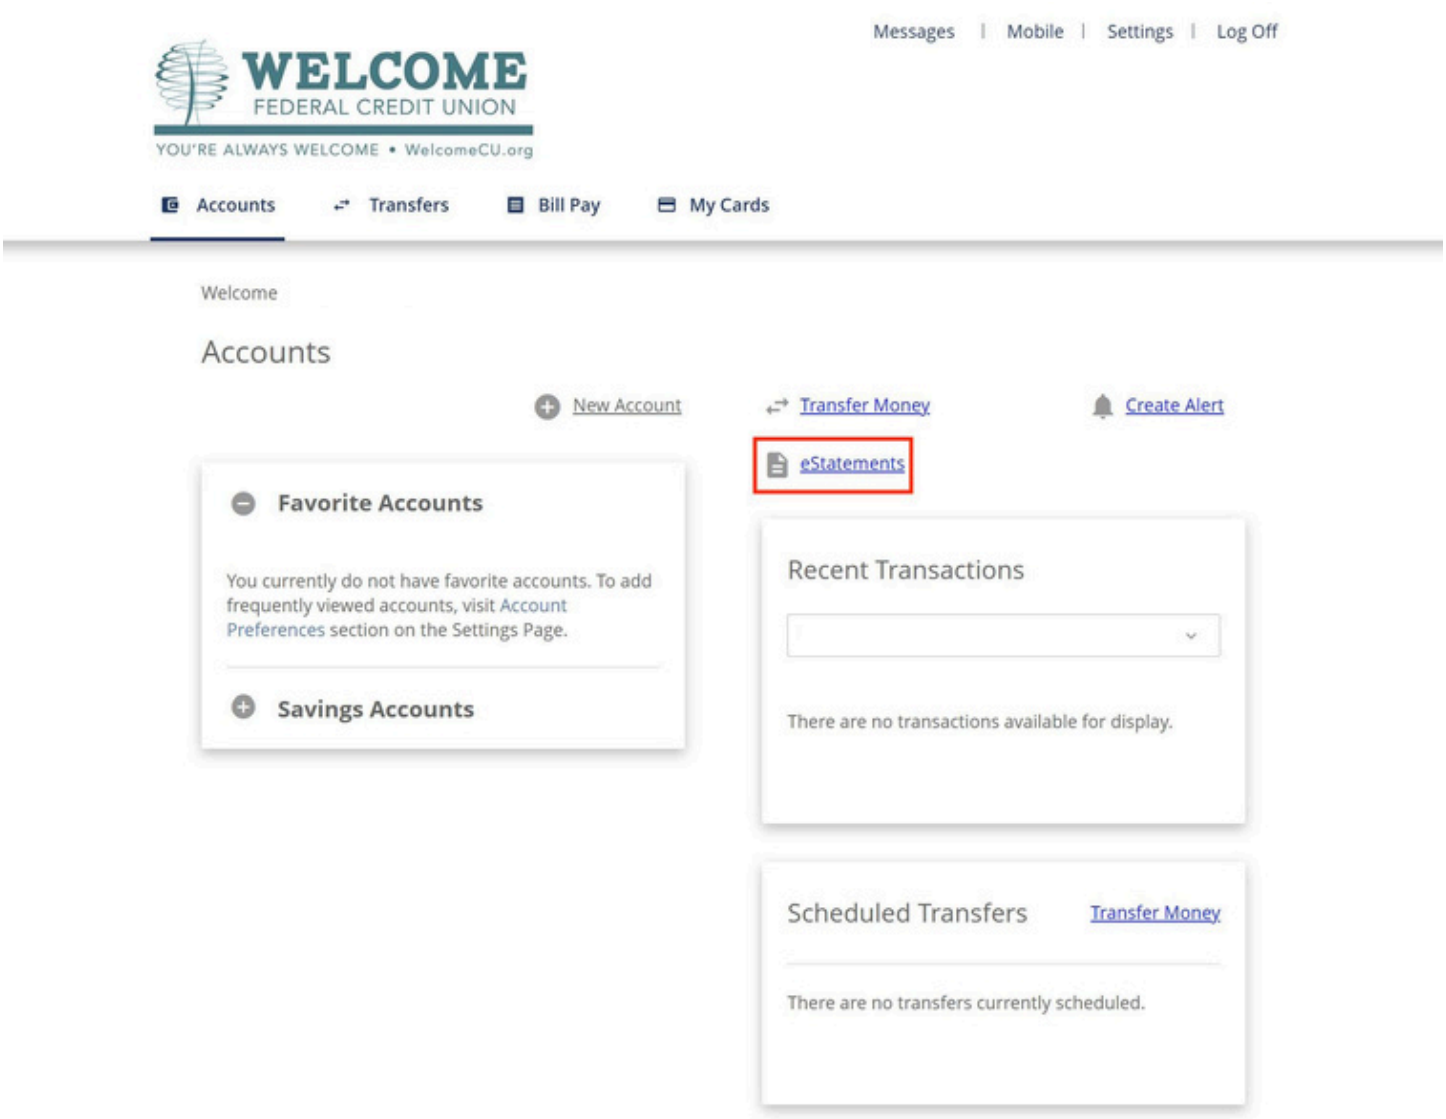
How to Enroll in Online Banking

To establish your online banking account and to enroll for E-Statements, please visit www.welcomecu.org.

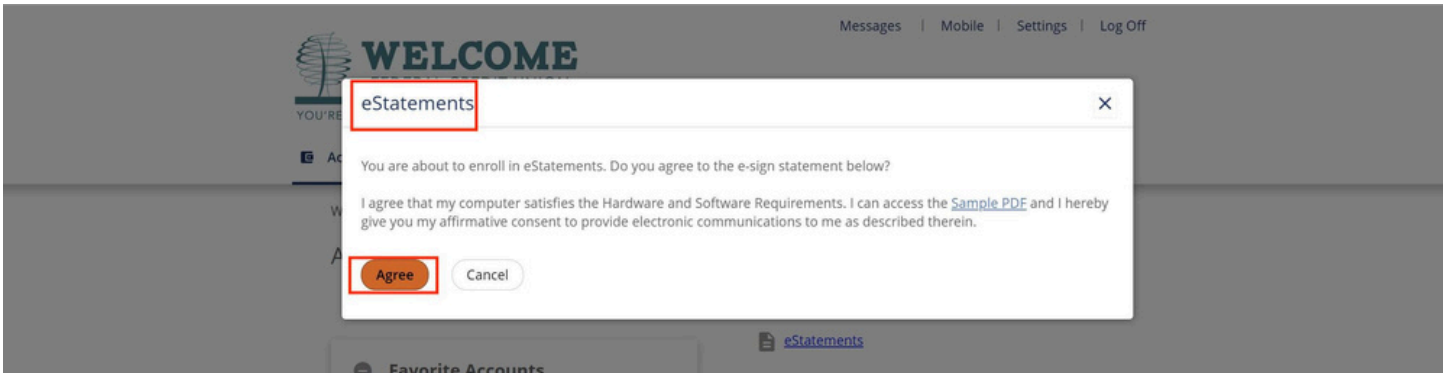
To begin the enrollment process on our website, please select the "Enroll" option. You will need to enter your member number (XXXXXXXX) as your login ID, along with the last four digits of your Social Security Number as the security code. Subsequently, you will create a new login ID and a new security code. Upon logging in, you will be required to acknowledge our terms and conditions for online banking.



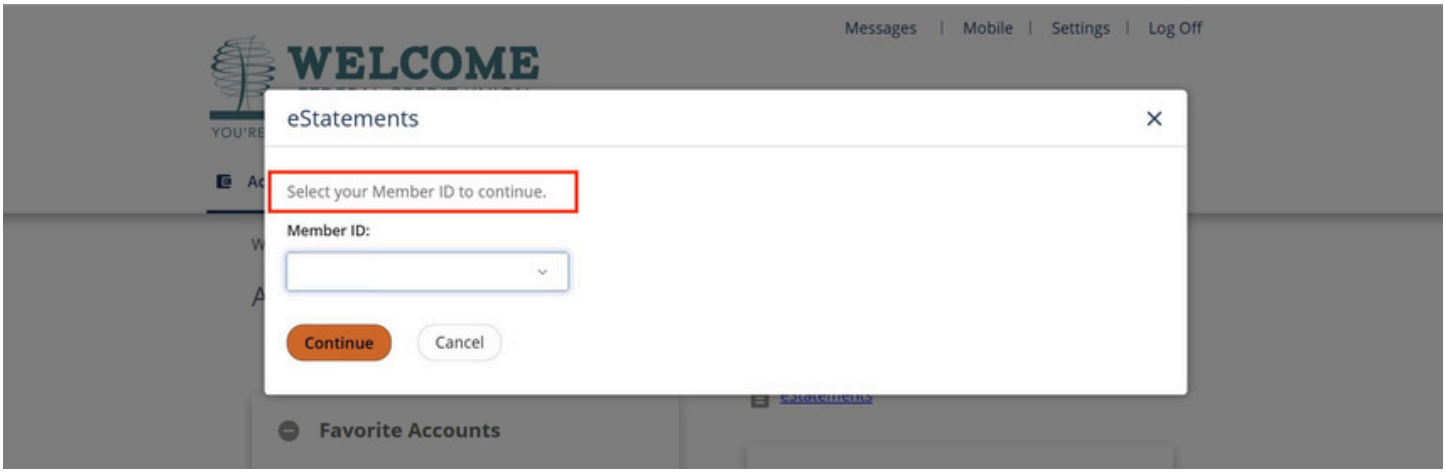
1. After logging in online banking, select estatements at the top of the page.



2. Click "Agree" to accept the e-sign statement.

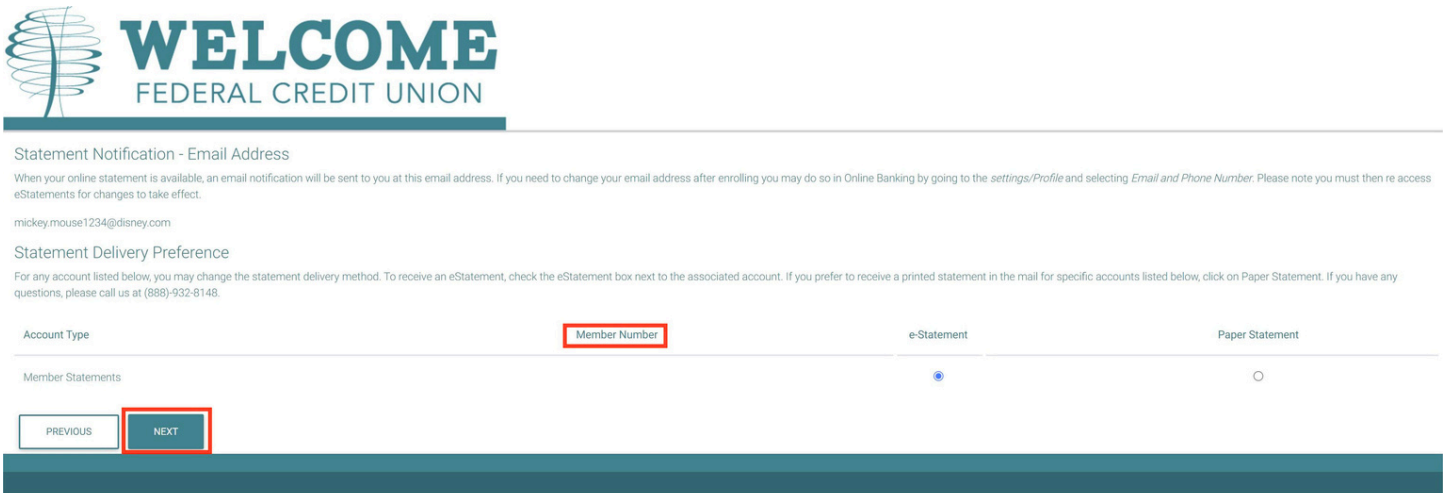


3. Select your Member ID from the drop-down menu and click "Continue."

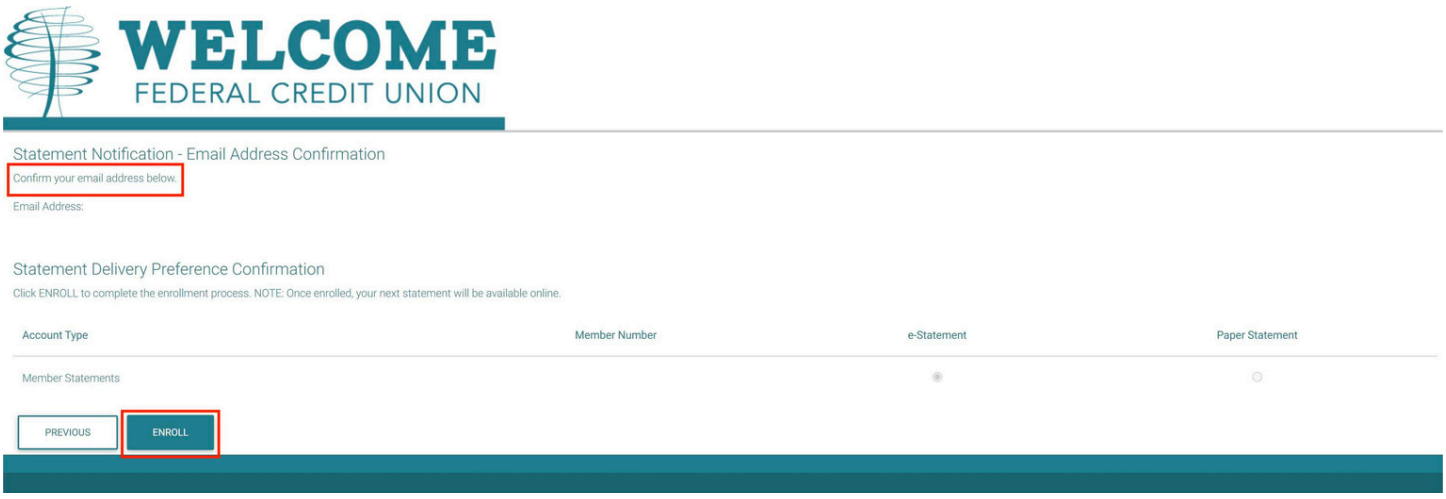


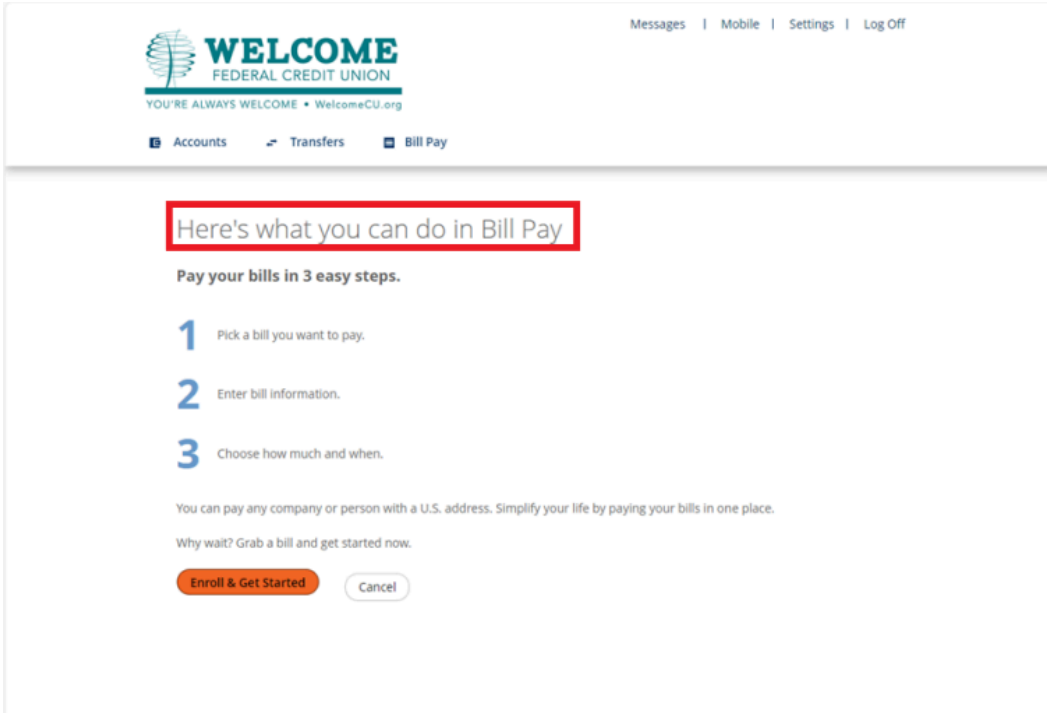
4. On the next screen, read and print the Online Statement Enrollment Agreement. Once you've reviewed it, click “Agree.”

5. Check the last four digits of the account number and ensure eStatement is selected, then click "Next."



6. Confirm your email address to complete your eStatement enrollment.





7. To enroll in Bill Pay, click "Enroll & Get Started" and follow the instructions.
